RE: Support for Dallas Area Model United Nations Conference (DAMUNC) 2017

Dear Mr. Kasman,

Congratulations! The Better World Fund is pleased to award your organization with \$250.00 to support your participation in the United Nations Association of the United States of America's (UNA-USA's) "Thank a Peacekeeper Campaign". These funds are to be used specifically for Model UN related activities and not to be spent for personal and/or other unrelated expenditures. Upon signing this letter, you will receive a \$250.00 check. Please indicate below the name to which the check should be made payable in addition to your correct mailing address.

Note that we will also require your team to hand out "Thank a Peacekeeper" cards to conference participants so they can provide their contact information and sign up for free youth UNA-USA membership. Furthermore, completed cards are required to be shipped back to BWF's Washington, D.C. office no later than two (2) weeks after the event's completion. Lastly, BWF will require an itemized budget for how you intend to use the award of \$250.00. You must submit this to amahalak@unausa.org. We will be in touch with you to hear about your project and to provide further instructions. With your permission, we hope to highlight your continued work on our websites.

Sincerely,

David Burton
